Sessions 1,3,5,7 and 9 – We hope you can attend the live sessions. However, we realise the time zone may not work for everyone. All live sessions will be recorded and made available.

Sessions 2,4,6,8 and 10 - You will be assigned to a CoLab Circle, where you will be able to practice the skills. Reflect on the learning and build the community of practice.

Jamboree – An additional meetup after the course is completed. It's our time to come together as a community and celebrate what has been accomplished and share our emerging future.
